

BAEKROK DAWON

A coastal tea garden
that inhales the ocean breeze and
misty air through each and
every one of its tea leaves.

ABOUT BAEKROK TEA FARM

A lovely tea garden distinct from those normally situated at the mountain foothills of Boseong, Baekrok Tea Farm is set atop flat coastline amid traditional houses and pine trees in Hoecheon Village, where it meets every morning with the winds and mists of the sea. We focus on organic teas with a distinct taste that encapsulates the forest behind the tea garden paired with the cool ocean breeze.

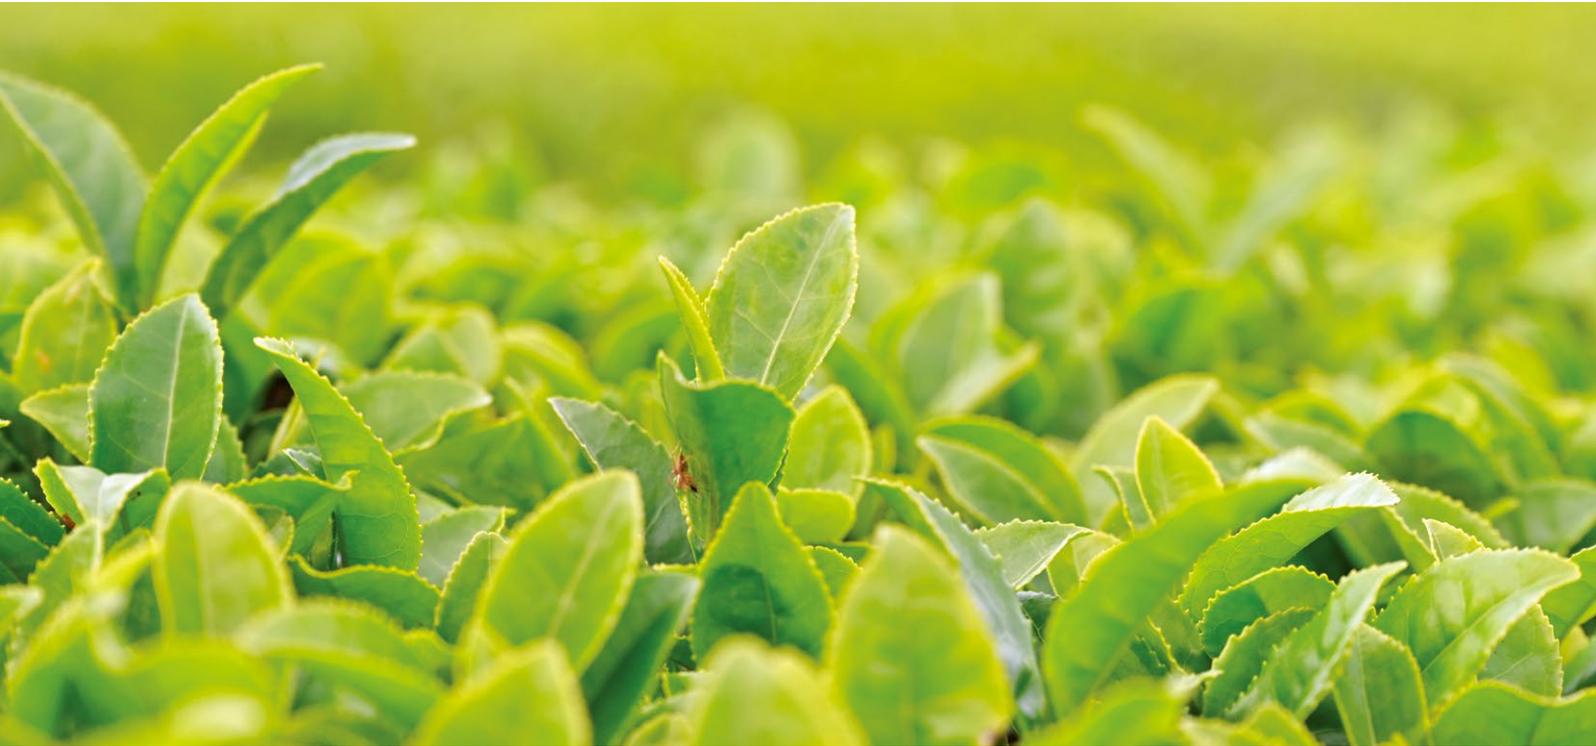

WHO RAISE AND MAKE BAEKROK'S TEA?

Green, fermented, and powdered teas are made with the harmony of an old couple that shines through from leaf to cup. Many come to take part in programs to savor the beauty and taste of our tea garden.
